

Dahisar to DN Nagar and Dahisar (East) to Andheri (East) Metro Corridors

Public Consultation on Environmental and Social Aspects held

Mumbai, May 12, 2016 – An hour long public consultation on environmental and social aspects while implementing Dahisar to DN Nagar Metro-II-A corridor and Dahisar (East) to Andheri (East) Metro-7 Corridor was held today by the Mumbai Metropolitan Region Development Authority (MMRDA).

“We are finalizing reports on the social and environmental impacts of implementing the said two metro corridors and it was necessary to understand public concerns. Except a stray example or two, we will certainly consider most of the views and concerns raised by the public. We have also received a few written suggestions”, said Mr. Dilip Kawathkar, Joint Project Director (PR), MMRDA.

Dahisar to DN Nagar and Dahisar (East) to Andheri (East) Metro Corridors will be implemented by the Authority with the approval of the Government of Maharashtra and financial assistance from Asian Development Bank.
